Dr. Pullen's Surgery

Dear Parents:

On Monday September 18, 2017 I will be having quadruple bypass surgery. I will be out of school for a few weeks. Please keep me in your thoughts and prayers. I love each of my students and will miss them very much. Please ask them to be on their best behavior for the substitute. Their behavior is a reflection on all of us. I have never been ashamed of any of them and I know they will not let me down.

It has been my honor and privilege to work with you and your student. I look forward to resuming our normal relationship in the next few weeks. While I am out, Ms. Waters, our co-advisor, will be coordinating FFA activities. Mr. Dobson, the ag. teacher at JMS, will coordinate our winter market hog activities (purchasing hogs, working with students at the barn, registering for shows, transporting animals, etc.). Barn rules and agreement are in another announcement. You may print the form and send it in to Ms. Waters.

You may email Ms. Waters or Mr. Dobson:

Respectfully,
